Scripts Gift cards- discussed having multiple order dates next year to encourage participation

Mimi showed the attendees a sample of the Tree form - each class will be given a wooden tree carving and will be tasked to decorate it in a class theme. These carvings will then be auctioned off at the gala. Pre school class reps should coordinate with teachers to get their projects started.

Upcoming GFC Events

April 5 - Teacher appreciation luncheon: Alba will be hosting the luncheon – Elizabeth Reilly will coordinate with the Weinberg's and be contacting volunteers.

April 9 - Book Fair at Chester County Book Company. Michelle Kornegay to coordinate with the help of Anne Powers. Would like to get teachers to recommend books - like the book company has their "picks" - have the teachers make their picks.

We would also like to have specific events that might improve attendance (story time, sing alongs, etc.)

May 3-7 - International Week. Festival will be on May 6.
