

Lower School Game Day

Thursday, June 3rd

1-3pm

Every year the lower schoolers look forward to Game Day, a fun-filled afternoon that is a true reflection of that which makes Goshen Friends so special. Kindergarten and the grades are divided into six teams, each lead by a lower school teacher. The teams rotate through a series of stations like wet sponge toss, blindfolded obstacle course, and the perennial favorite, suitcase relay. The composition of the team is structured to have older children act as mentors to younger students, while a kindergartner or first grader may be just what's needed to fit through a tight spot in the obstacle course. The festivities conclude with a refreshing snack and limbo. Parents are welcome!
